

## DORCHESTER STROLLERS

### WALKS PROGRAMME FOR June and July 2010

On regular walking days, we aim to have at least 2 groups walking at different rates – the faster group for about an hour and the slower group for half to three-quarters of an hour. The longer walks will sometimes include grass/muddy paths so please wear stout shoes – also don't forget a raincoat! After the walk we all get together for a cup of tea/coffee – though it's not compulsory. There are 4 extra walks on this programme..
